In-person Offering

MGT439 - Pediatric Disaster Response & Emergency Preparedness August 18-19, 2022, 8:00am to 5:00pm (Jacksonville)

Ascension St. Vincent's Southside Hospital
4201 Belfort Road, Jacksonville, FL 32216

[Click Here to Register](#)

The 2010 report by the National Commission on Children and Disasters identified a training gap for emergency responders, first receivers, and emergency management personnel that reduced their effectiveness in responding to pediatric patients and their unique needs/considerations. This course addresses pediatric emergency planning and medical response considerations through a combination of lectures, small group exercises, and a tabletop exercise.

Course Length: Two days (16 hours)

Participants:

- Community and Hospital based Emergency Managers
- EMS Personnel
- Hospital Administration and Emergency Room Personnel
- Public Safety / Public Health Personnel
- School Administrators
- MRC Personnel
- Private sector
- Law Enforcement
- Disaster response/relief personnel
- County, State, and Federal personnel who respond to a local jurisdiction disaster event

Prerequisites:

- FEMA/SID Number
- Students must register and bring a copy of their SID number to class. Register online:

<https://cdp.dhs.gov/femasid>
