

Personal Protective Measures for Biological Events

PER-320

Personal Protective Measures for Biological Events (PPMB) is a one-day course focusing on the challenges faced by first responders and clinical health care professionals in pre-hospital and hospital environments as they deal with personal protective equipment (PPE) needs and potential contamination issues while dealing with highly infectious diseases. The course provides students with an overview of PPE, and includes experiential learning activities on donning and doffing PPE and technical decontamination. Additionally, students review the different types of decontamination.

FEMA SID Guide

FEMA Student Identification (SID)

What is a FEMA SID?

FEMA Student Identification (SID) number is a unique number generated and assigned to anyone who needs or is required to take training provided by a FEMA organization. Your FEMA SID uniquely identifies you throughout the FEMA organization and all of its agencies. The goal is for your FEMA SID to serve as your personal identification number instead of your Social Security Number (SSN) in support of FEMA's effort to decrease/cease the use of SSN for identifying and tracking individuals.

Why do I need a FEMA SID?

A FEMA SID is required to register for and participate in any training provided by FEMA. All FEMA training providers' registration systems and enrollment procedures require a valid FEMA SID. The FEMA SID will serve as your unique identifier and be used to maintain the record of FEMA training you attended.

Do you have a FEMA Student Identification (SID) Number?

To register, go to the [FEMA Student Identification System](#)

Select "Register for a FEMA SID" in the middle of the screen. Follow the instructions and provide the necessary information to create your account. If you are a user with a Personal Identity Verification (PIV) card, enter your FEMA SID and select your certificate and enter your pin.

Forgot your FEMA SID?

If you already have a FEMA SID but forgot it, go to the [FEMA Student Identification System](#) and select the option: "Forgot Your FEMA SID." You will be asked to provide certain information. Your FEMA SID will be emailed to you along with a separate message that will ask you to reset your password.
